Thousands of housewives have found that they can save two-thirds of the money usually spent for cough preparations by using this well-known old recipe for making cough syrup at home. It is simple and cheap but it really has no equal for prompt results. It takes right hold of a cough and gives

and heals the mer. branes, and gradually but surely the annoying throat
tickle and dreaded cough disappear
entirely. Nothing better for bronchitis, spasmodic croup, whooping
cough or bronchial asthma.

Pinex is a special and highly concentrated compound of genuine Norway pine extract, known the world
over for its healing effect on the membranes.

Avoid disappointment by asking your druggist for "2½ ounces of Pinex" with full directions and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded. The Pinez Co., Ft. Wayne, Ind.—Advt.

Get at the Real Cause—Take Dr. Edwards' Olive Tablets

That's what thousands of stomach sufferers are doing now. Instead of taking tonics, or trying to patch up a poor digestion, they are attacking the real cause of the ailment—clogged liver and disordered bowels.

Dr. Edwards' Olive Tablets arouse the liver in a soothing, healing way. When the liver and bowels are performing their natural functions, away goes indigestion and stomach troubles. If you have a bad taste in your mouth, tongue coated, appetite poor, lasy, don't-care feeling, no ambition or energy, troubled with undigested foods, you should take Olive Tablets, the substitute for calomel.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their clive color. They do the work without griping, cramps or pain.

Take one or two at bedtime for quick
